

KOLLEN41

EGIA-8243 dated 29 March 1954 (\*UJ Drollery 304)

CIC Salzburg interrogated "ERNOE" (brother of 14450) to take control of what they knew to be a going TIB operation and in the process discredit 14411 and 14450. During the course of the interrogation, CIC made it quite clear to "ERNOE" that he had become involved in a double operation which was run by 14450's superiors, 14411 and 14400. The latter two were named to "ERNOE" by true and cover name respectively. "ERNOE" will probably report on this to the AVH.
